## 825702 Halti Front Harness Black & Red Ige

RRP: £21.49

Depot Availability: All depots

The Halti Front Control Harness is designed to stop your dog pulling by steering your dog from their chest and shoulders to give you maximum control when using the lead. It is a great alternative for dogs who do not like or cannot wear a headcollar.

**Also Available:** Halti Front Control Harness Black/Red MED Units (825705), Halti Front Control Harness Black/Red SML Units (825707)

## 825728 Halti Head Collar Black size 1

RRP: £14.99

Depot Availability: All depots

If you have a dog that pulls on the lead, you will know how difficult and sometimes dangerous dog walks can be. The Halti Headcollar was designed by Dr Roger Mugford as the first headcollar for dogs as a simple training aid to tackle lead pulling. If you guide the head, the body will follow. The Halti Headcollar is a humane training tool that provides maximum control for even the strongest pullers.

**STOPS PULLING:** the Halti Headcollar prevents pulling on the lead by gently steering and guiding your dog's direction.

**KIND & HUMANE:** made from strong but lightweight nylon webbing, the Halti Headcollar is designed for comfort with a padded neoprene nose band and won't interfere with panting, eating or drinking.

**BETTER TOGETHER:** to get the best no pull training experience, use the Halti Headcollar with our double clip Halti Training Lead.

**Also Available:** Halti Head collar Black SIZE 0 (825740), Halti Head collar Black SIZE 2 (825730), Halti Head collar Black SIZE 3 (825732), Halti Head collar Black SIZE 4 (825735), Halti Head collar Black SIZE 5 (825738)

## 825823 Halti Link Black sgl

RRP: £2.29

Depot Availability: All depots

The Halti Link is used to attach the Halti headcollar to your dogs collar. This reduces the possibility of more anxious or boisterous dogs being able to remove the headcollar. Simple but very effective. This spare link comes in one size

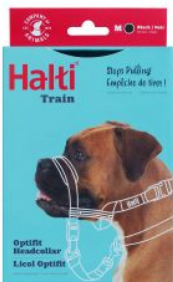

### 825701 Halti No Pull Harness Black sml
